MEMORANDUM FOR: Executive Director-Comptroller  
Deputy Director for Science and Technology  
Deputy Director for Plans  
Deputy Director for Intelligence  
General Counsel

SUBJECT : Proposed Revisions of [REDACTED]  
on the Mission and Functions of the Office of  
the Inspector General (Jobs 4827 and 4923-BW)

25X1A

1. The attached proposals were submitted for coordination and were accepted in August 1967. At that time they were linked to several finance regulations and handbooks. Questions about other related finance issuances caused suspension of the entire package pending the outcome of work to be done by a committee made up of representatives of the Inspector General, the General Counsel, the DDP and the Director of Finance. That committee has now completed its work; the resulting proposals for changes [REDACTED] [REDACTED] regulations and handbooks will shortly be submitted for coordination.

25X1A

2. The committee's proposals left untouched these two regulations on the mission and functions of the Office of the Inspector General and we have decided to process them separately. The attached [REDACTED] is identical to the version which was accepted by coordinators in August 1967. [REDACTED]
